The Missouri Ethics Commission, at its June 30, 2022, meeting, requested an Attorney General opinion regarding the application of Chapter 115.646, RSMo to special districts as follows:

1. Does the term “political subdivision” as used in Section 115.646, RSMo, include special districts as it is defined in Section 105.450(9), RSMo?
2. Does the 2021 amendment to Section 115.646, RSMo, support the argument that special districts are not included in the definition of “political subdivision” as defined in Chapter 115?
