## **Missouri Ethics Commission Elects Robin Wheeler Sanders as its next Chair**

Today, March 14, 2024, the Commission elected Robin Wheeler Sanders of Kansas City as its next Chair. Commissioners serve four-year terms, and Missouri law requires that the Commission elect biennially one of its members as its chair to a two- year term. Commissioner Sanders was appointed by Governor Parson on July 12, 2022, and confirmed by the Missouri Senate on January 12, 2023. She will complete her term on March 15, 2026.

Commissioners Robert Cook, Chair, Helene Frischer, Vice Chair, and William Villapiano will complete their terms on March 15, 2024. We thank them for their dedicated service.

As Missouri law requires a quorum of four commissioners to meet and take any action, the Commission will resume meetings once a quorum is established. The daily work and operations of Commission staff remain normal.
